### **Professional Experience**

Dr. Branaman has more than twenty-five years experience with adults and juveniles in counseling and clinical mental health settings including institutional settings, public schools, hospitals, residential and outpatient treatment, and private practice. His experience includes teaching, consulting, administrative, and clinical experience. He served three years as Department Head for an inpatient addictions treatment program for adults and adolescents. He is founder and chief executive officer of Professional Psychological Services, P.C., a private practice group in operation since 1984. Dr. Branaman presently divides his time between his forensic psychology practice and as Professor of Clinical Psychology in the doctoral training program at the American School of Professional Psychology, Argosy University. His forensic practice includes legal evaluations and consultation involving criminal, family law, and civil matters. He has had extensive experience in conducting risk assessments of sex offenders and has testified in multiple cases involving civil commitment under the Texas Sexual Predator Act. His specialized forensic work includes many court appointments as well as being retained by both defendants' and State's attorneys for purpose of conducting forensic psychological evaluations and offering expert opinion in criminal and civil matters. He is qualified under Texas SB 1057 Chapter 46B to conduct evaluations for determination of incompetency in criminal and juvenile justice cases. Additionally, he frequently conducts pre-employment evaluations for law enforcement and public safety personnel including federal law enforcement officers. He has testified in federal, state, military, and administrative courts. He is actively involved in professional activities at local and state levels having served as a member of the Board of Trustees of the Texas Psychological Association and President of both the Dallas and Collin County Psychological Associations. He presently serves as a gubernatorial appointee to the Texas State Board of Examiners of Psychologists. He was appointed in 2010 to serve as presiding officer for the Board.
